In obedience to an order of Maj:
Magruder dated the 14th inst,
requesting me to report immediately, in regard
to Contumacia in a letter from Captain
Almonte, dated Columbus June 24th,
addressed to Capt St. J. Mills, &c.,
&c. I have the honor to call your
attention to an official communication
forwarded by me to you, on this subject
and beg leave to refer to said
communication as part of my report on the
subject. I also call your attention to
the accompanying correspondence between
the Capt. J. M. Magruder, & Lt. J.
Terry, and would further state that
on my return to Columbus after being
informed of the existence and contents of said
letter I called Capt Almonte up in the house
of Mr. Mortony, and explained to him what
the Contumacia was, and asked him if he had
such a letter, and he denied it. I
inquired if it was not false and he admitted
it was, said that he got another name
for the letter, and he required it,

...the man had not written it
according to his instructions, that he would
request a letter to write asking the
Board to transfer his company & position
to the Board. There is much attention
same effect but I presume that I have
written enough. I cannot however
this communication, without expressing
conviction that the letter of Capt Alden
has been endorsed and action taken
it, and a conversation which occurred
the Commanding Genl mentioning
and in which he stated that he had
performed that I had never caused my
to be drilled, or instructed that I had
performed in the Regiment & division, that
I never had a Guard house nor furnished
for duty. I am not sure
all evidence will be sustained
efficiency as an officer and my
as a gentleman. While therefore
as unwilling to compromise the public
with my private affairs in any way
and as eager to make a sacrifice
if necessary to advance the public
I feel it due to myself to my family
to be so situated as to be able to
attend to the public service without
any other

Therefore to ask if not incompatible
with public interest for a Court of Inquiry
full investigation of these several matters.
I certainly ought not to be permitted
to remain in the service and if innocent I
ought not to be suffered to remain
the victim of such unfounded insinuations
I have the honor to be, Sir

An reply to Com-

of the Company to Capt Ragsdale the
I would respectfully state the facts to be as
follows: Aldrete desired him to transfer Capt
Sumner to Col Baird the undersigned declined
as he had not the power and had no evidence
if the men desired it. Some days afterwards
that if the undersigned would transfer
the men to Col Baird he - Aldrete -
would transfer the remaining eighteen to Capt
Ragsdale, having agreed together to that effect &
wishing the men to be willing; the undersigned
for the want of authority stating that the
Company alone could make such a transfer
if pressed upon by them he was willing to consent
to recommend to the Maj Genl Comdg; the papers
accordingly drawn up at their request and
forwarding Capt Aldrete asked that the number
be raised to seven and was agreed to and so
and its ratification recommended to the Maj
Genl.

I have to report to you the particulars
of Lt. Col Davidson in regard to my
company & myself. A few days ago Lt
Davidson handed me my transfer to Col Baird's
at San Antonio. After doing so, he ordered the
greater part of my company to be transferred to
another. Both against the will of the men and
myself. By this proceeding I am now left
with seven men only. The Col now also
says that I have to go to Houston with the

Recruiting 4th Regt

Captain

I have the honor to transmit herewith
copy of an order from Genl Geo^e E. Wiley Smith, which
was issued upon a communication in regard to recruiting
manuscripts, or on the River Pecos; addressed by me through
you & with the favorable recommendation of Maj. Genl Magruder
at Fort Huachuca, on the 7th of September last.

For the purpose of carrying out this order, and what
appears to be its primary object, that is, opening communication
with our friends in New Mexico, Arizona, and Lower California,
and assisting them in joining our army, - it will be necessary
for me to send at least one Company of my Regiment as far
as Fort Lancaster on the Rio Pecos; this Company can otherwise
render good service in observing and reporting the movements of
the enemy in the direction which it is contemplated that it
shall operate, and could cooperate with and greatly facilitate
Capt Killman in his spy service.

But with the view to rendering still more important
services; and hoping that the Maj Genl Commanding may
perceive that what I propose is not inconsistent with the
public service, - I respectfully suggest that the whole of
my Regiment be ordered on the line from San Antonio
to Eagle Pass; by which means, if it is desirable - the trade
by way of that point may be kept open; The 4th Regt
of the Regiment being either at San Antonio, Fort Ange,
or Fort Clark, it could be rapidly concentrated to meet
the advance of the enemy, either in an actual invasion from

It will not be impracticable, after sending one company to
the Pecos to watch the Rio del Norte from Eagle Pass to the Sumas
River below.

The Regiment now numbers some four hundred and twenty
men, and no where in the Army can be found men better
suited for frontier service, many of them are familiar
with the country, and can render most efficient service
in observing the movements of the enemy; they would have
at all times active service and of a character that would
not cause them dissatisfaction.

I believe that while the Regiment would be able to
render any required service east of Eagle Pass that at the
same time many valuable recruits may be obtained for
it at that point, by way of Chihuahua, from California,
New Mexico, & Arizona. The plan proposed will require
an additional expense.

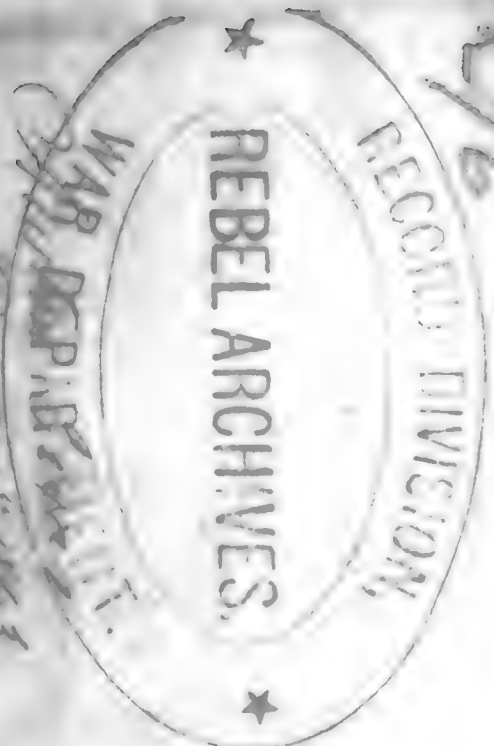

Should these suggestions meet the approbation of the
Major General Commanding, I respectfully request that the
Regiment be ordered to concentrate at this point or at
San Antonio, where its organization may be perfected,
the necessary preparations made.

The recent orders in compliance with my request to
have Lt Col Showalter's Battalion recalled from the Indian
territory places me under renewed obligations to the
Major General Commanding.

could be accomplished, and the money

be in his hands, and there would
be no need of the Government.

Neither Capt. Blair nor I ask

Since the receipt of
the order directing me to proceed without delay
from Austin to this post & report
to General Duff, I have the honor to acknowledge
the following additional orders from
General Guss, viz. Order No 67 of Dec 15 1863
directing me to report to Col James Duff, Order No 217
directing me to report to Col John G. Ford, and
a communication from Capt Stephen G. Mansfield,
stating that it was intended by the Maj Gen
that I should report to Col J. G. Ford, that he wishes
me to get, and that Col Ford is my ranking officer.
In the order of their dates, these orders have been
obeyed as all emanating from the Maj Gen
and being directed to me shall ever be, but relying
on the confidence of his high sense of justice, and
knowing that in the little town which has been allotted
to me for his various duties to attend to matters of minor
importance that he has overlooked the fact, I venture
to inform him that Col Ford's Commission in the
United Army (if he has one) must date very much
before my appointment, which was made March 9th
1864. From this date the Commanding General in previous
communications that I should take rank in the 4th

 is not the merely an authority to raise a
 question but that he will consider it as sufficient
 ground of its exigency.
 I submit these facts for the consideration of
 the Gen Commanding, assuming it unnecessary
 to make any comments upon them, being well
 aware that his decision in the matter will
 depend only by what may occur to him
 in the light of just, and I feel further
 aware from his large experience, as well
 as his well known bearing as an Officer

 If any error can be in any I hope
 it may be excused, in the taking the advantage of

Feb. 22nd 1864

Dear Sir

In addition to my receipt already forwarded I have the honor again to acknowledge the receipt of your communication of the 10th Inst. respecting the report of Major Genl. Mansfield, that I had at this time raised the question of rank "thereby, presenting obstacles which have caused delay in place, which should have been in this instance."

You will be kind enough to inform the Major Genl. commanding that nothing could cause me more pain than the disappointment of my superior officers and especially a report coming from him for whom I have obtained so high a regard, except the fact that my command of mine might have caused any delay or embarrassment. I will please further inform him that had the remotest idea that such would have been the result of the duty course, which under the circumstances, seemed left for me, I should certainly have submitted myself to the terms being so very kind and honorable. With the general view of avoiding any such possible embarrassments in any contingency in rising the issue with Col. Ford I should have preferred to give my services in any emergency. I beg leave to state that his (the Major Genl.) personal wishes were not made known to me.

My hand had been spread before
Colonel in a spirit of confidence and
cordiality that I hoped would induce
a corresponding course on the part of
Lord in which I was disappointed &
that the question of rank in the interim
would "remain in statu Quo" That would most
probably have satisfied me - I was led to
believe however, however that under his order
to report to Col. Ford, the acceptance of orders
from him without question would be
final, under the well known maxim
of law that "he who sleeps upon his rights must be
the sufferer" I repeat that an assurance that
rights would not be pre-empted, compromised
by my silence would have been all sufficient
If I have been too tenacious on a question
of rank, I trust the Maj. Genl commanding will
be kind enough to attribute it to a long association
with officers of the old regular Army, among
whom I always found it a question of high
importance, and never to be waived nor compromised

And in fact I now have in my mind's
eye one instance in which I have always
understood, an officer on the approach of
responsible service, voluntarily surrendered or resigned
his rank, for which he was dismissed from the
Army - I allude to the case of Col. Wall, of Ky
Such are the impressions made upon our mind
from the services referred to

I will further say have to state that in
a regiment composed of citizen and temporary
soldiers it would be difficult if not impossible

and they his orders - It will
be born in mind that Col. Ford has never
appeared (or pretended to me) to be an
officer in the army of the Confederate States
and never without his commission and
Constitutional qualifications under oath. Proved
by his own impudant admission, how have
they the orders of a mere citizen, and
in that capacity I can not consent to the
superiority of Col. Ford over me in
any point of view - I say he did not pretend
to be an officer of the U.S.A., from the fact that
in his answer to my note raising the issue
with him, and which I had then proposed
to leave my services in any emergency in
stead of the course used in such cases
he merely alluded, as a matter of course
that I must not use any of his name &
further "military" terms or engaged by him, thereby
endeavouring to draw me into the recognition
of a rank to which he did not otherwise
by courtesy pretend to be entitled &

But after I had offered him that B
should receive and obey his orders as Brigadier
of the State under the proper circumstances, it
certainly would have been a very small
and ~~inconsequential~~ ^{for a few days} sacrifice - I have not
to me that which he ~~has~~ ^{has} ~~not~~ ^{not} ~~been~~ ^{been} ~~claiming~~ ^{claiming}
for himself, and which was my right.

I further explain as respects the
State that the Major General is captain of

an officer to maintain the respect of
other officers and men, who would
voluntarily surrender or waive his rank.
It is a question in which all are
interested; but it can not be done.
I regret also exceedingly that I have not
met the expectations of the Maj. Genl. Commanding
expressed in the second paragraph of your
communication, in which you state that
he had hoped, that the situation of affairs
of present would have caused a majority
of feeling and action, and that all would
have been prompted by a desire to act in the
interest of the service rather than that of personal
position, leaving questions like that of rank
to be more thoroughly disregarded when the
welfare of the country would permit.

I fully and highly appreciate the sentiments
expressed in this paragraph, and I beg leave
most respectfully to state that I am personally
impressed with the belief that if circumstances had
been actuated by the same sentiments and
impulses ^{or are to the credit of my self which I am} now paper with myself, the results
as respects to the Maj. Genl. Commanding would
be to myself would have been fully attained.

Col. Fort was daily expressing the regret
of Brigadier Genl. for the delay under which
communications are expected to come and I am
inclined to doubt ^{me} under appropriate circumstances
such under which I should have that I was
cheerfully and with alacrity and promptness

... that I thought ... in a paper of
... at that time no one had thought, and
... no one desired - My principal object in
... is was, that I thought I could be near
... there, and would be out of the way
... aspirations of any one else.
In regard to any delay having resulted
... the course I have taken, I feel confident
... I will be able to secure the Major's aid
... ^{by the proper information} but no conduct of mine has
... the cause of any delay; but that it
... attributable to other causes.

In regard to that passage of
... the same paragraph which attributes some
... desire of "personal hostility" rather than the
... movement of the interests of the service. I
... think that I desire to be respectful, I must beg
... you to color my most earnest and sincere
... resolutions of any ambitious views beyond a disposition
... to do all that I have and all that I owe to the cause
... my country. I inherited this sentiment from an
... liberality of the revolutionary times, and the same
... kindled in their hearts, there is not extinguished nor
... cooled in mine. I know it is not
... the attributing of such a motive to ^{me} in connection
... with the General's other censures. And so proud is
... exceedingly painful to me. I had thought that
... no one who has the slightest knowledge of
... me would ever suspect me of such a motive.
I hope from early manhood, by the force of

I was in the mean time appointed, without
any solicitation on my part, by the Governor of the

position I finally resigned

I was also appointed without my knowledge

position I ought not to retain on the change

party of the incoming Administration and my

I was again nominated in my absence
and without my knowledge or consent
for the Senate in the district in which I lived
and was elected without a dissenting voice for two

I was in the mean time appointed to the
position without consultation with me and wholly
without my previous knowledge, Attorney General

I would never hold another office, to which
my present position in the Service is the only
exception, and if further evidence should be
required to remove the unfavorable impression
which you in regard to my motives you can
draw the Conc that the sacrifice can be made

As a further evidence of my sincerity and
devotion to this cause, although I have never
mentioned nor showed my paper and sometimes
before the public, I beg leave in terms designed to
be entirely respectful, to state, that I had a home,
very easy to my liking, and of my choice, and
I know of it - and was beloved and respected
by my neighbors and fellow citizens, of which
I have had innumerable testimonials - and
I was happy and contented - that with its attendant
domestic comforts, was devoted to this cause

hundred acres of this tract, which as pasture lands
and cultivated lands were under irrigation by
the acequia, exclusively my own - I had all
the home comforts I desired, with sheep and
horned cattle sufficient for all my wants,
embracing an unobstructed hospitality to my friends
I had my train of wagons running in the

Ch. Hospitale at Danversville August 6th 1862

Major General Sherman

Allow me through you to tender

you and the proper authorities my application for resignation and discharge from the Confederate Service as Capt of Co. D. 1st Regt. Dragoon. And in doing so I wish it distinctly understood that it is not a consequence of any dislike that I entertain towards superior officers in the command after a long and familiar acquaintance it is with many regrets that I part with them either in consequence of my devotion to the south and the holy cause which we are engaged in or because the burden of affliction is placed upon me which has been in the war nearly over and the circumstances have not been able to do the duties of a soldier over half the time I hoped when I enlisted that a campaign would improve my health but my hopes have not been realized the following is the basis upon which I ground my application for resignation and discharge

"Certificate of Disability for I. W. Hagen"

I am Major of Capt Cass's Company 6th Co. 1st Div Cavalry mounted by Capt Cass at Maubusha Texas April 14th 1862 since during the last three months the said soldier has been unfit for duty and that the said I. W. Hagen from bodily weakness has been unable to do the duties of a soldier since the term of his enlistment but owing to his intense willingness to do his whole duty as a soldier he has been on duty frequently when entirely unable and has been with the company in every engagement at which he was present and unable to do the duties of a soldier.

Major General Sherman
Commanding Gen. 1st Div.

I have carefully examined the said Army Medical
 Report of a soldier because of chronic Bronchitis and
 kidneys he has been diseased for many months and for the
 past three has been unable for duty he has been under great
 and for some time without any improvement and I would
 recommend that he be discharged for the service

The organization of Baird's Regiment, Texas Cavalry (also known as the 4th Regiment, Arizona Brigade and as Shreveport's Texas Cavalry) was authorized by S. O. No. 8, dated February 2, 1862, and 3rd, and 4th, dated February 2, 1862, which authorized the recruitment of 1000 men in New Mexico and Arizona. Dear Sir,

Dear Sir!

I take the liberty to address
you in regard to my Company, "C." 4th Regt. 1st Brigade. My
intention as well as myself and subalterns to re-
turn to your Command for reasons which I will
state when more at leisure, the Company consists
of about 100 men and with a few exceptions are all volunteers
and are well equipped. You may also be assured that our
conduct is good system of discipline.

I have not had the pleasure of meeting
you since I left Houston with the 1st Regt. in August, but
I still remember me as a Boy, though I am now
a man of 21.

I think that with the experience you can give
at W. I. you could easily effect the success of
our Company. There having been a Company named
"Scott" to this post some time ago (Capt. ...).

Our Company is not a Mexican Company,
should you see proper to accept me (proportion
of you will) have the kind of it and in a
the application to tell me more to get it
give me the necessary information.

I hope you will do me the honor and
this at your earliest convenience.

I have the honor to be
very respectfully

Yours of 18th came duly
in answer I have only to say
I have made every enquiry that
I could possibly get from the
most reliable information
that Capt French the Federal
who brought our prisoners down
to Fort Clark has been
sent to Lancaster and has made
enquiries for 3000 men. Whether he
has secured the place as yet
we can say, other reports being
doubtful. It is a great difference
to the effect that the Federals
are beginning to start down in
front of San Diego. From
these reports some
in these reports, but you may
assured I will find I am
in getting the whole truth, and
writing to you accordingly. I
shall soon know the
and will act with all
courage & prudence

Will keep you well. I should
not forget that article from
your issue my best to your
compson. Bald pen
